The Annual Staff of 1976

Has the Honor of Presenting

"The Spirit of '76"

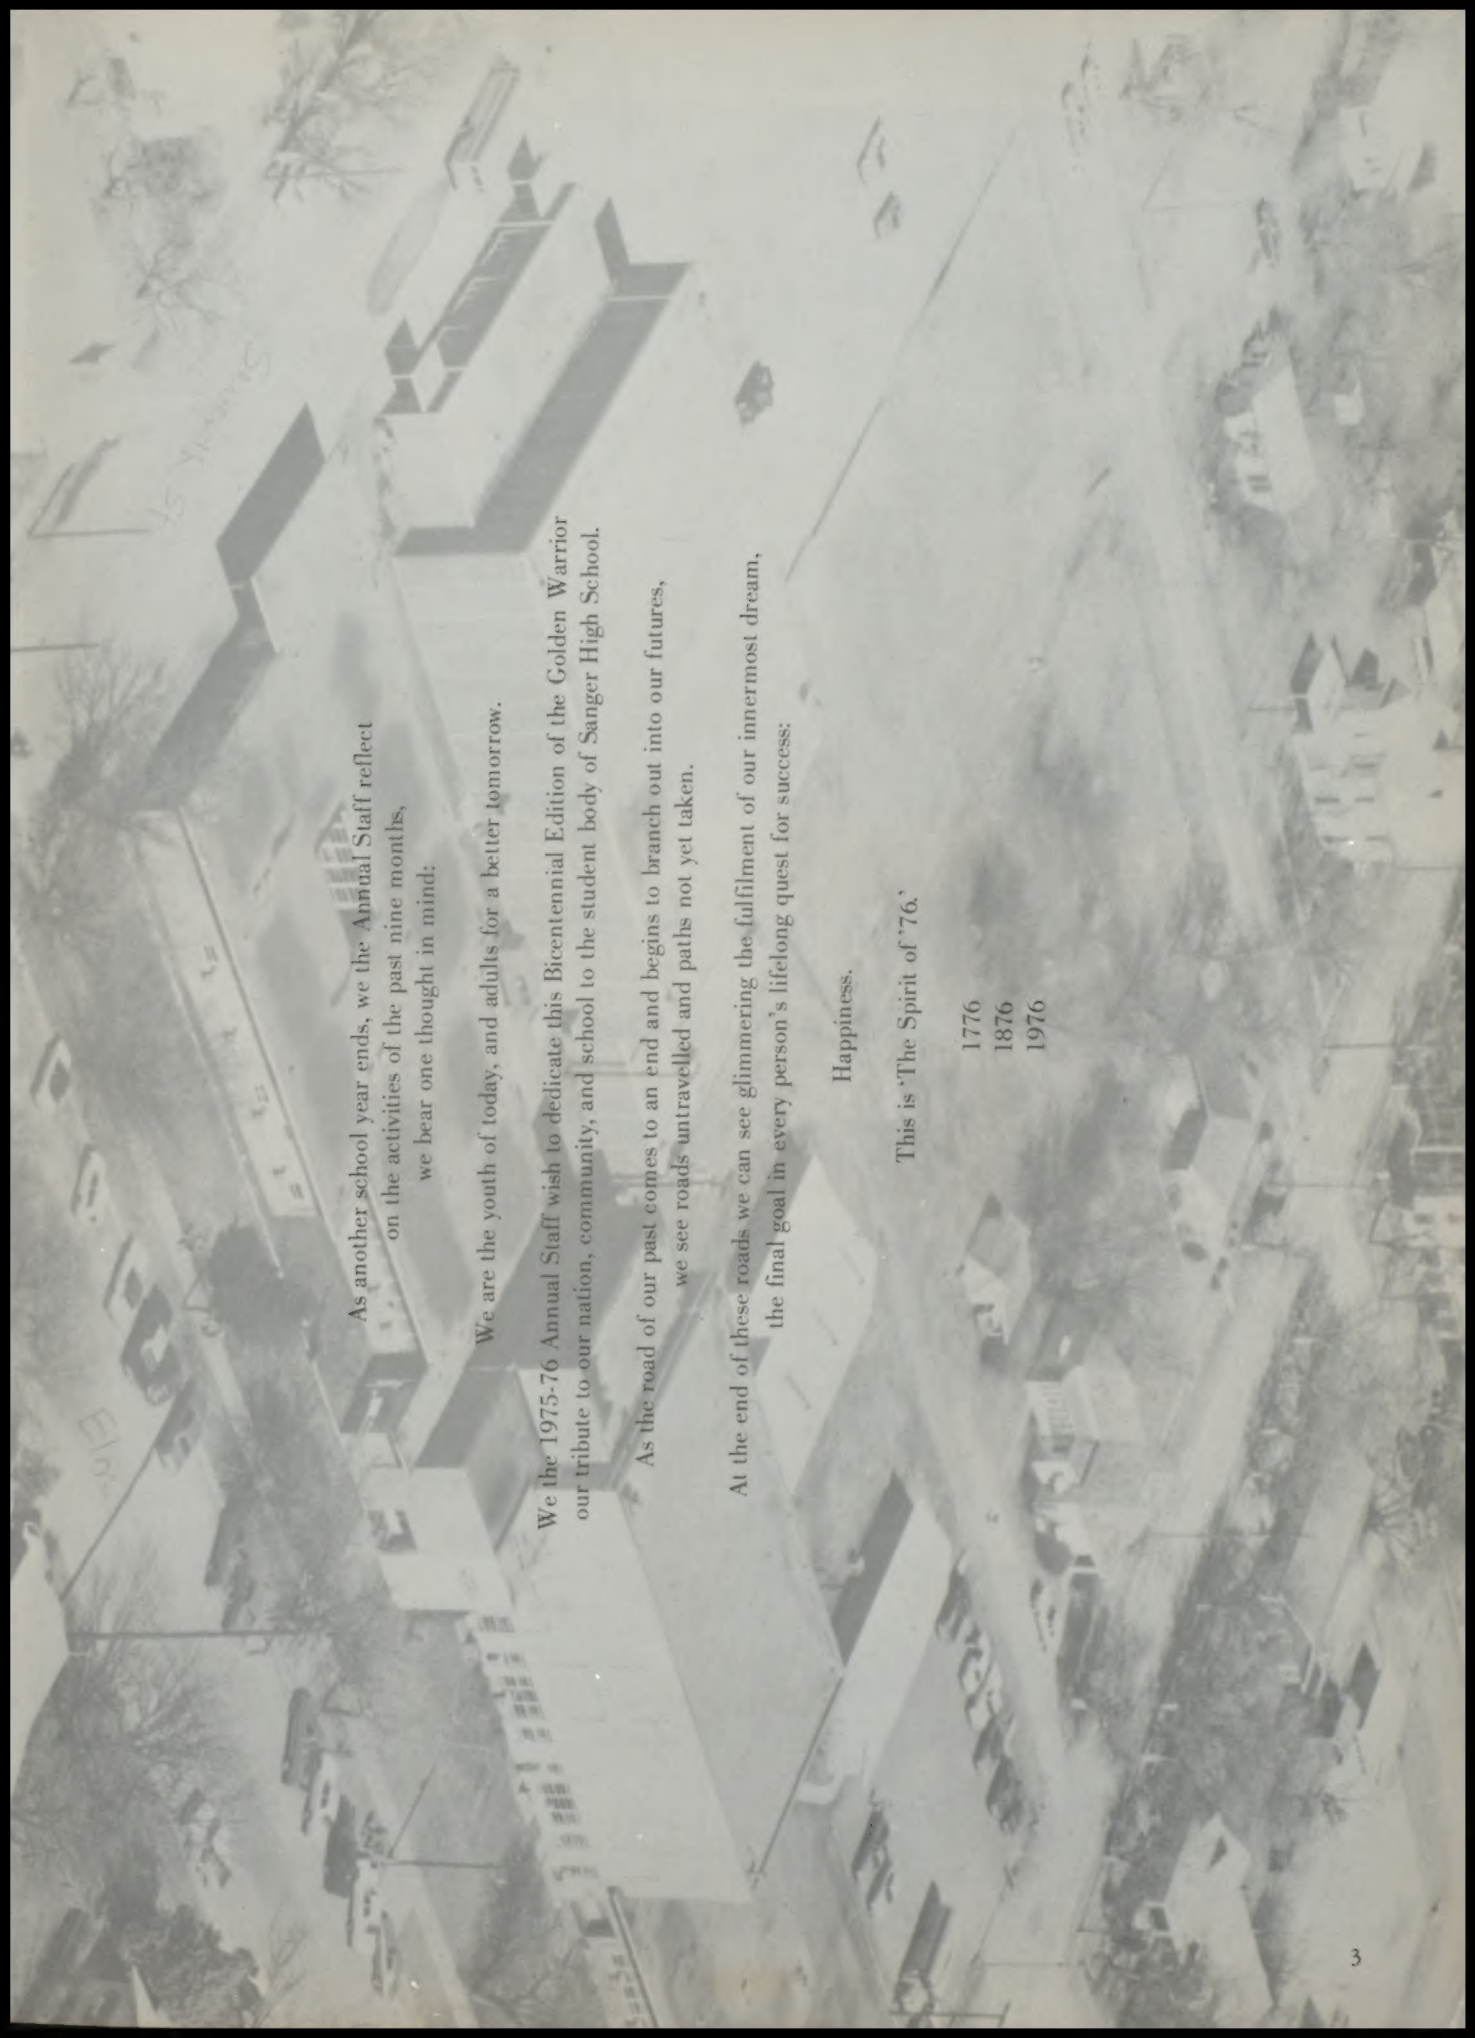

in the

Golden Warrior

Sanger Independent Schools

Sanger, Texas

An aerial photograph of the Sanger High School campus, showing various school buildings, parking lots, and surrounding areas. The text is overlaid on the image.

As another school year ends, we the Annual Staff reflect
on the activities of the past nine months,
we bear one thought in mind:

We are the youth of today, and adults for a better tomorrow.

We the 1975-76 Annual Staff wish to dedicate this Bicentennial Edition of the Golden Warrior
our tribute to our nation, community, and school to the student body of Sanger High School.

As the road of our past comes to an end and begins to branch out into our futures,
we see roads untravelled and paths not yet taken.

At the end of these roads we can see glimmering the fulfilment of our innermost dream,
the final goal in every person's lifelong quest for success:

Happiness.

This is 'The Spirit of '76.'

Superintendent's Message

As the years come and go I hope each one of you will be able to look back at this annual and this school year remembering many happy moments as well as the hours you have spent in performing the fundamentals that are necessary to become a more educated person.

Never let anyone minimize to you the importance of your having the best education possible and never allow yourself to give any less than the best you have to give in getting that education.

This has been an exciting school year and I hope you have allowed yourself the privilege of joining in the fun that we have had.

I assure you that we, as teachers and administrative personnel, will do our best to see that you are given the quality education you so richly deserve. Therefore, I challenge each student in the Sanger Schools to make each school day a meaningful experience.

It has been a delight to work with you for it is you who have made this 1975-76 school year one that I will always cherish.

(NOTE: Mail to State Department of Education, Austin, Texas.)

The State of Texas:

County of Menton

KNOW ALL MEN BY THESE PRESENTS, That we, A. J. Nicholson,
as Principal, and E. L. Berry, J. B. Rice, and
J. H. Jones, as Sureties, are held and firmly bound unto
J. T. Chambers, President of the School Board of the Dallas
Independent School District, and his successors in office, in the
sum of Eight Thousand dollars, for the payment of
which we hereby, our heirs and our heirs, executors and adminis-
trators, jointly and severally, by these presents.

THE CONDITION of the above obligation is such, that, whereas,
the above bounden A. J. Nicholson offered the highest bid of
interest on daily balances of School Funds and was, on Nov. 9th
1910, chosen by the Board of Trustees as Treasurer of the Dallas
Independent School District for the scholastic year beginning
September 1, 1910, and ending August 31, 1911:

Now, therefore, if the said A. J. Nicholson shall
faithfully discharge his duties and pay the said funds received
by him upon draft of the President, and shall duly entered,
of the Board of Trustees, and shall faithfully keep said funds and
account for them, together with the interest thereon at the rate of
10 per cent per annum, calculated on daily balances, in the School
Board of said District and to the State Superintendent of Public
Instruction according to law, then this obligation shall be void;
but otherwise, it shall remain in full force and effect.

In testimony whereof, witness our hands this Nov 14th, 1910.

COUNCIL

To aid the students in developing co-ordination of both mind and body, to teach the importance of cooperative effort, self-discipline, responsibility, and to help the morale of the school are the purposes of the Sanger High School Band. The members of this fine organization are well on their way to achieving these goals, and I wish them the best of everything in their efforts to reach them.

Senior Autographs

It Was a Wonderful Year in Sanger High School!

We watched through a rosy cloud—the beginning of the 1976 Bicentennial
Year in Our School

... And the Freedom Train Approached!

This Year ...

We laughed a lot ...

... and cried a lot!

We clowned a lot ...

... and studied some!

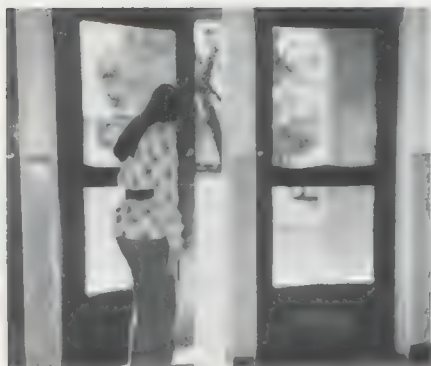

We asked
Questions ...

... And got
Answers!

It Was a Great Bicentennial Year-1975-76!

What Was It Like?

... the day we
walked out of the
building at the
close of the
1975-'76 school
year?

It was like Chet's
boots without
Chet...

... Like a
scoreboard with-
out a score...

... Like socks without shoes...

... Like lambs without Ewes...

... Like an Ms in a black hat without a gun...

... And the Freedom Train passed right on by!

When I first began thinking about what I should say for the funeral, I tried to write with insight and inspiration. Since I am not a person who handles such insight and inspiration, I decided I would just write what I felt.

First of all, I hope you enjoyed making the 1976 Golden Wreath as much as we enjoyed making it for you. Sure, we put in a lot of work and extra time, but the end result was worth it.

Thanks goes to the staff who worked, sweated and finished what began amazing. Without them none of this would be possible.

Now for my prayer and I close with this note:

And now
Through these difficult days,
Some to return, but others
To go new ways
Though we shall lose their spirit,
It will not be in vain
Those who remain
Shall step up
To fill their shoes—
To be leaders—
To retain the spirit.

Susan Jones

Memoriam*

And so
'The Spirit of '76'
Is ended,
and
Becomes a part
Of yesterday.
We, today's
Generation, join
Hands
With the
Past
And look
Forward
To a New
Tomorrow.
